Scott Bailey, North America Industry Manager at MacDermid Enthone Industrial Solutions, has been recognized as one of Products Finishing's 40 Under 40 for 2024. This honor is awarded to young leaders in the surface finishing industry based on a variety of criteria, including leadership and industry involvement.

Scott joined the surface finishing industry in 2014 after obtaining his bachelor's degree from Lindenwood University. Over the past 10 years, Scott has held a variety of positions within technical service and sales, gaining field knowledge and technical expertise, while building relationships across the mid-western United States. In January 2024, Scott was promoted to Industry Manager, North America, focusing on MacDermid Enthone's decorative solutions.

"I am thrilled to work for an organization that takes pride in celebrating the successes of their employees and partners with customers in driving the surface finishing industry forward!" - Scott Bailey

This accomplishment is a testament to Scott's willingness to expand his knowledge and ongoing commitment to partnership with both his clients and colleagues.

Join us in congratulating Scott on this fantastic achievement!
